Massage, Sing and Have Fun With Your Baby

Sing, Play, and Learn With Your Toddler

"You have a real gift for connecting with babies and toddlers. My son just loves your classes!"

"We've tried lots of classes. My daughter liked Marty's classes best. Now that she's four, she still talks about Marty and sings many of the songs we learned together. Thanks, Marty."

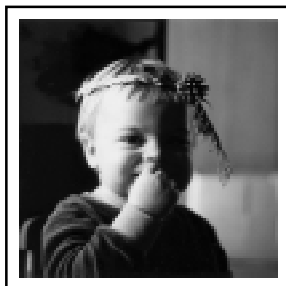

"It's not the program but the teacher. You make it so easy to feel comfortable and the babies in the class always stop and listen when you sing. I love your classes!"

Sing, Play, And Learn With Your Toddler

for babies 9 – 24 months

\$80 for 8 classes

Tuesday 10:15 AM – 11:00 AM

Learn new songs, practice old ones, and engage your toddler in some fun bouncy rhymes and songs. You'll learn fingerplays and rhymes appropriate to the season.

I'll give you instructions for making simple rhythm instruments at home from everyday objects. You will then be asked to bring an instrument to class.

Our discussions will focus on temperaments and the developmental changes that the toddler years bring, and how to set appropriate boundaries that support toddlers' growth and development. Handouts provided.
